What is to be Learned?

Gain new insight into:

- Get the latest on National and State Energy Savings Performance Contracting “Best Practices” trends
- Learn about the NEW Minnesota GESP - What’s new, what technical and financial assistance is offered, and how can it be leveraged to achieve energy savings in your facilities
- Review the Process - Project Development, Funding and Financing Options, Incentives and Standardized Measurement and Verification Procedures

Learn from your Peers - Open Discussion with a Panel of Public Owners highlighting ways to create a “win-win-win” scenario with Guaranteed Energy Savings Projects

Who Should Attend?

Who have the roles of:

- Executive decision-makers
- Finance officers
- Facilities directors

From the Following Public Sector Entities:

- MN State Agencies & Departments
- Colleges, Universities and Community Colleges
- Local Units of Government (Cities & Counties, Special Districts)
- K12 school districts

We hope to see you at this workshop! If you have any questions, contact Trish Curtis at 763-898-5292 or TrishC@McKinstry.com

Energy Saved = Money Saved!

Come learn how you can achieve this goal for your organization.
