October 4, 2013

Dear RCM Mayor,

Thank you for your ongoing leadership and engagement in the Regional Council of Mayors!

ULI Minnesota, through the generous support of TARGET, Blue Cross and Blue Shield of MN, the Family Housing Fund and Dorsey and Whitney, has provided and will continue to provide easy access for you to join in high-quality networking, content and strategic thinking and action to improve the region's economic competitive and quality of life (free RCM membership, meeting space, lunch, and parking).

However, as you know, ULI national has provided another benefit - complimentary ULI memberships to RCM mayors, since our beginning in 2004, in order to support this nationally recognized model. We are now 52 members strong! ULI national cannot continue to provide this benefit. ULI national hopes that each city recognizes the value of ULI membership and will continue as a member.

There are very affordable ULI government agency membership packages, 50% less than private sector memberships. Many of your cities have already taken advantage of these savings.

Associate Government Member: \$215

Full Government Member: \$600

Public Agency Membership Package: \$525

One full member, two associate members
Another \$505 savings!

For more information on benefits please visit the ULI National [Membership Page](#).

Your membership helps to support the mission of ULI Minnesota and the Regional Council of Mayors.

If you have any questions please contact us at caren.dewar@uli.org or Aubrey.austin@uli.org, or (612) 338-1332.

Very sincerely,

Caren Dewar
Executive Director
